Dear Donna,

We want to thank you for your ministry! Corpus Christi Parish was recently very blessed to have you lead us into the Advent Season with three wonderful evenings of faith filled music, in concert at Holy Family Church, which we found inspirational and reflective of our faith, particularly in this Special Liturgical Season. The Advent Season is a wonderful time of waiting and waking to the realities of God among us. Your music and beautiful voice got things off on the right track. Listeners were drawn to confession during your performance, and virtually everyone stayed for the entire evening and even in prayer afterwards. We are grateful for such fine prayerful music!

In addition we might add that your staff was very easy to work with, providing the appropriate advertising and information needed to make this event as smooth as possible.

Obviously we recommend that any Catholic Church, youth group or faith organization considering having Donna Cori Gibson perform, should not hesitate to do so.

Kudos to Donna and her staff for a job extremely well done!

Sincerely Yours in Christ,

Fr. Joel McNeil
Pastor
