Letter of Recommendation

Donna Cori Gibson brought a special prayer experience to the people of Our Lady of the Cove Catholic City in Kimberling City, MO. As part of the Lenten experience, she presented "The Way of the Cross" on Friday, March 26, 2021. What a powerful and emotional walk with Jesus to His death on the cross. Her music and video was so beautiful and touched every heart who was present that moment in the church. The Passion of Christ was truly brought to life! The 14 Stations brought many tears and silence as you left that evening. It was a very moving experience indeed!

On Saturday, March 27, Donna presented a retreat for the women of the parish entitled, "Keeping a Mary Spirit throughout a Martha Day". She shared spiritual times in her life through her music. The Joyful Mysteries of the Rosary were beautifully sung. Donna closed the afternoon with her musical version of the Divine Mercy Chaplet. Her powerful voice inspired everyone. You could not help but feel a true sense of peace and sorrow.

Donna has been given a wonderful gift by God. Her love for Jesus and the Blessed Mother is heard in the words of her music. I have been blessed to see Donna in four appearances. She is a true inspiration to me. I listen to her CDs and they have become part of my personal prayer. I encourage everyone to bring her to your location for a concert, prayer service or retreat. A wonderful experience is awaiting!
